RISE AGAINST CANCER

Review

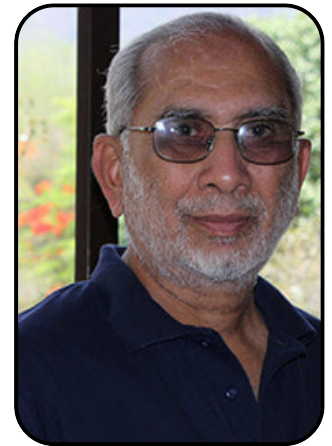

Kishore Rao

Chairperson Karnataka Branch

97,177 beneficiaries! With deep gratitude, I thank all our teams who made this number possible. Each number represents a person, a family, a story and together, they remind us why this journey matters.

The past quarter has been especially meaningful, marked by vibrant awareness efforts across regions and innovative efforts by our Kalaburagi team. It has also been heartening to witness the unwavering support of corporate volunteers who consistently go the extra mile.

This edition brings together glimpses of these inspiring moments, images that speak of courage, compassion, and action. We hope they resonate with you as deeply as they have with us. If any story or photograph sparks your interest, we would be glad to connect and share more. More importantly, we would love to hear from you.

January - Cervical Cancer Awareness Month

**“Shield. Screen.
Support. Cervical
Cancer Awareness &
Prevention Forum”
With Rotary in Bengaluru**

Dr Gurusahas, CEO at St. Jude's Global South Asia regional meeting, Mumbai

Cancer survivors & caregiver programme at AJ Hospital, Mangaluru

Art therapy sessions brought comfort and creative expression to pediatric patients across Bengaluru.

JATRAS BECOME CANCER LEARNING SPACES...

During Cancer Awareness and Addiction-Free Walkathon, **Param Pujya Shivalinga Mahaswamiji** at Kherda (B) Village, Dist. Bidar encouraged attendees to place tobacco and similar items in his satchel instead of money or gold, urging them to overcome addiction. Tens of youth promised to give up harmful habits.

In three of Swamiji's night-long Jatras in Bidar, Kalaburagi teams have transformed the Jatras as cancer learning spaces thus facilitating the reach of cancer awareness messages to thousands.

Cancer awareness educational materials were distributed during the Sirsi Shri Marikamba Jatra in Uttara Kannada District.
